

Vint"ry\ - n. [OE. viniterie, from OF. vinotier, vinetier, wine merchant.]

The marriage of wine and whiskey in one concept was derived from the artisan nature of both beverages. With both wines and whiskeys, the earth, as well as the aging process, distillation & fermentation determine the intricate flavors of the beverage. They are both handcrafted libations. Please enjoy our selections.

Ambiance\-

Vintry's distinctive, hand crafted finishings create a jewelry box interior that frames our love of wine and appreciation for artisan craftsmanship. The bar is carved from the rare Bubinga tree, the back bar & mirrored interior are accented by hand-carved maple "vines" that are signature to the establishment. The tabletops are created from Rainforest marble, known for its distinctive veining and fossilized appearance, similar to that of vine roots. With every detail at Vintry being hand crafted we wanted to create the ultimate wine & whiskey experience.

Cocktails\ - page 2-5

Our cocktail program is inspired by the classics & presented with a modern twist. We make our own syrups/tinctures & use only the best, highest quality ingredients.

irish whiskeys are smooth and fruity, the vast majority are triple distilled and they are often easy-drinking.

the Irish are widely credited as being the first to distil whiskey, though this is strictly contested by the scots.

the bushmills distillery, for example, is the world's oldest licensed distillery, founded in 1608.
